v.

No. 4:19-cv-405-DPM

SUPERIOR REAL ESTATE
SOLUTIONS, LLC and ALVIN FRANKS, JR.

DEFENDANTS

ORDER

The joint motion, *Doc. 26*, is granted. The proposed settlement is fair, reasonable, and adequate. *Lynn's Food Stores, Inc. v. United States*, 679 F.2d 1350, 1353 (11th Cir. 1982); *see also Barbee v. Big River Steel, LLC*, 927 F.3d 1024, 1027 (8th Cir. 2019); *Melgar v. OK Foods*, 902 F.3d 775, 779 (8th Cir. 2018). It reflects a good-faith compromise of contested overtime compensation issues. As the docket reflects, the attorney's fee is being negotiated separately, independent of settling the wage claims. If no agreement is reached on attorney's fees, plaintiffs must file a fee petition by 7 April 2021. The Second Amended Final Scheduling Order, *Doc. 25*, is suspended.

So Ordered.
